

# Fixed-Link Details

(Form 1)

## (A) LICENSEE

Name of Licensee

Do you know the ACMA Client Number?

Yes (please specify here)

No (use Form 4 to supply full licensee details)

## (B) LINK DETAILS

Your Link Ref Number (if any)

	Site A		Site B	
<b>Site Name</b> (your name for the site)				
<b>Site ACMA ID *</b> (or use Form 3 to supply details)				
<b>Transmitter Power &amp; Units</b> (include any fixed attenuation)				
<b>Fixed Losses (dB)</b> (estimate feeder, circ, filter losses etc)	TX	RX	TX	RX
<b>Antenna Type</b> (manufacturer and model)				
<b>Antenna Height (m)</b> (above ground level)				
<b>Equipment Type **</b> (manufacturer, model and configuration)				
<b>Capacity</b> (eg 8E1 or 16 Mbps)				
<b>Modulation</b> (eg QPSK or 128QAM)				
<b>Emission Code</b> (if known)				

\* If you specify an ACMA ID for the site we will use the details directly available from the ACMA database – you do not need to supply any additional information about the sites. If the site is new or the ACMA ID is not known you will need to fill in a separate *Radiocommunications Site Details* form (Form 3) to provide the complete details.

\*\* Please supply manufacturer's specifications or website URL with first application for each equipment type.

## (D) SPECTRUM REQUIREMENTS

	Site A	Site B
<b>Band</b> (eg. 15 GHz)		
<b>Channel Width</b> (eg. 14 MHz)		
<b>Tx Frequency (MHz)</b> (ONLY specify if necessary)		
<b>Polarisation</b> (ONLY specify if necessary)		

## (E) COMMENTS
